INTRODUCTION

All of us are being born behind the veil of forgetfulness, and our challenge throughout each additional incarnation lies in a need to not repeat mistakes again, i. e. errors of judgment in our past we can only recall through feeble subconscious remembering. Religious associations are such errors, and must not be repeated lest our progression becomes impeded in this life once again.

YET THERE IS NO NEED FOR SHAME IN ERROR WHILE ON OUR UPWARD JOURNEY TOWARD THE LIGHT (seeing we operate from behind the veil of forgetfulness), **UNLESS PERSISTENCE IN ERROR CONTINUES TO RULE OUR LIVES BEYOND THE DAY WHEN LIGHT HAS BEGUN TO SHINE INTO THE RECESSES OF OUR MINDS!** In this dissertation we will not throw stones at those still lingering in the halls of organized religion, lest our own glass house of past failures in sound judgment becomes shattered from flying boulders as *their* response to our assault!

Church membership is sometimes passionately defended around a claim of church authenticity (legitimacy or exclusivity), i.e. *"Our church is the one and only true Church of God on this planet, and it is our duty to be a member of it!"* That sounds logical, but is only true provided universal reality in absolute fullness has indeed sanctioned that claim and lent it veracity. An outside observer however should become rightfully suspicious, when he or she sees numerous churches claiming exclusivity, whereby "lost sheep" are then compelled to a judgment call of choice they are hardly qualified to make by virtue of their admitted state-of-mind confusion (of being "lost" in a world of religious options), only to become trapped in a denominational world of doctrinal limitations. It can hardly be said that a "lost sheep" really knows it should be looking for universal reality in order to see its soul restored to the peace and serenity it is so desperately looking for.

THE MOMENT MORE THAN ONE CHURCH MAKES ITS PUBLIC CLAIM OF EXCLUSIVITY, THAT CLAIM BECOMES HOLLOW FOR ALL, FOR LOGIC REQUIRES THE PRESENCE OF ONENESS OF TRUTH, AND ALSO UNIFORMITY OF

LANGUAGE, SOMETHING SECTARIANISM CANNOT DELIVER! *THE TRUTH OF THE UNIVERSE WILL NEVER BE FOUND WITHIN THE CONFINED SPACE OF SECTARIAN BOUNDARIES, FOR THAT WOULD INDEED BE LIKE PLACING A LUXURY LINER INTO A SODA BOTTLE!*

CHAPTER ONE

WHAT WENT WRONG IN THE WORLD OF RELIGION?

RELIGION – A MISNOMER FOR TRUTH

The term "religion" (An organized system of beliefs and rituals centering on a supernatural being or beings – American Heritage Dictionary) should never in the first place have found its way into our language, as its definition alone reeks of departure from what reality is all about. Reality has nothing to do with being supernatural, for all reality is natural as it extends right up to the 16th or higher dimension. Nothing the Universe has to offer is "supernatural" in its essence, for all is based upon the realism of universal laws as well as universal *scientific* laws, wherein all life can find freedom of expression in absolute totality of existence. This planet and all of its life forms on it (and *in* it) is part and parcel of our known Universe, which includes the Milky Way Galaxy as well as all galaxies and cosmic phenomena. Within such environment man's religious belief systems become irrelevant, because they can never include the totality of ALL THERE IS. To turn around then and claim God is ALL THERE IS is rather vague and incomprehensible, as consensus of who or what "God" is cannot be found in worlds of religious dogma and is only available to minds in comprehension of Universe reality.

There is no need for mysticism around the concept of "God" or "angels" or "avatars", for all can be verily understood within the parameters of

Universe reality! BECOME FAMILIAR WITH UNIVERSE REALITY, AND ALL RELIGIOUS MISCONCEPTIONS WILL VANISH LIKE A FOG BEFORE THE MORNING SUN! **Locked into the knowledge of the Universe is the secret for man's release from religious error! Obtain that knowledge and apply it correctly, and you will have credited your soul with an entry into hallways of universal realities with all their glories and possibilities intact!**

Truth in its absolute form is nothing less than universal reality (or Universe reality, if you wish). THIS ABSOLUTE ASPECT OF REALITY IS COMPREHENSIBLE TO THE HUMAN MIND, FOR THE HUMAN MIND IS INDEED MADE UP OF THAT ESSENCE WHICH HAS MADE OTHER INTELLIGENCES SUPREME IN KNOWLEDGE. AND HERE THE SUPREMACY IN KNOWLEDGE CONSISTS OF TRUTH IN ITS ABSOLUTE FORM! At this point we can probably see why religious dogma has nothing to do with truth anymore, for it has no ability to deliver that kind of truth. Hence our conclusion: **Religion and truth have nothing in common.**

RELIGION – A BROADER VIEWPOINT IS NECESSARY

There exists a fallacy in this world today which has limited the understanding of what religion really is. In this fallacy the term "religion" finds itself merely connected with god-worship, sin-aspects, morality-teachings and congregational gatherings for "fellowship" purposes. NOT GOOD ENOUGH! **We cannot ignore philosophical dogma!** It has often been said in religious circles, that their membership is "a way of life." We agree, since one can easily recognize distinct behaviour patterns unique to each religious viewpoint. Now, if organized *religious* dogma is capable of creating behaviour patterns, then organized philosophical dogma can do the same. So, what is our point? The point is, **we cannot ignore organizations based on extreme philosophical viewpoints and exclude them from the category of religions, if that viewpoint represents the *opposite* of what "true-blue religion" has ever tried to achieve, that is, to make "bad" people into "good" people by instilling in them sound ethical behaviour.**

In this writing we will not call subversive organizations by name, however

should you during the course of your life's journey ever have run into a strong, powerful, secretive and yet influential organization, which teaches it is okay to lie, break promises as well as contracts when it becomes convenient, deceive, steal under the guise of legitimacy, entice wars and racial tensions, considers a large sector of populations merely fit for exploitation, encourage moral decay by creating conditions of family breakdown, or refer to people not of their ilk as "beasts", all the while justifying themselves by claiming superiority of status, then remember one thing: what you have before you is nothing less than a religious organization which has created for itself the *antithesis* of all that Universal Oneness of the gods and the Creation ever stand for! You have before you the literal manifestation of darkness with all its personages firmly entrenched in its own hierarchical organized structure.

To sum up our observations let's say this much: GROUP PERCEPTION IS ALWAYS LIMITED, AND NONE CLINGING TO IT CAN RECOGNIZE UNIVERSAL REALITY. RELIGIOUS AND PHILOSOPHICAL DOGMA WILL FOREVER BE STUMBLING BLOCKS TO THOSE SEEKING REINTEGRATION INTO THE ONENESS OF THE UNIVERSE, OR BETTER, INTO "ALL THAT IS," WHICH IS *TRUTH IN ITS ABSOLUTE FORMAT!* If ultimate truth is the harbour into which we endeavour to steer our life boat, then let us no longer neglect the other half of our brain, the one that lets us see what lies beyond, and we will thereby have effectively ended the stunting of our growth and finally discovered the beauties of creation in its glory and totality!

HOW MANY GODS ARE THERE?

Who spoke to the true prophets of old? Who can truthfully claim authorship to their writings? God? Wait a minute! Not even today do people have a clear understanding who or what "God" is! Logic must rule out the singularity of godhood, for if there can be one god, there can also be another or many more "gods," for that matter. Reconcile this concept with the statement in the Bible which says "Ye are *all* gods!" then the idea of a singular "God" having spoken to the prophets becomes inconsistent with the Bible's own theme. Tampering with text and testimony of the true prophets

of ancient times are partly responsible for the creation of monotheistic dogma, set up for the purpose of population control by fear of a cruel, vengeful and angry "God." (At this point we will interject and clarify, that *mainly* responsible for the notion of a single-being godhood is the downloading and effective marketing of perfected systems of religiosity through the instrumentality of false prophets. More on that under the next heading).

The prophets of old received their words from the masters of the universe, individuals, who had learned all of their lessons of proper conduct while on successions of lower dimensional incarnations; but now they occupy the status and power and authority as "gods" of a fifth dimensional plane and upward!

And at what point will "ye," the "gods," become individuals who will also speak to prophets of third-dimensional planes of existence? ONLY AFTER "YE," THE "GODS," HAVE IN *YOUR OWN* EFFORTS OF PERFECTING INTELLECTUAL UNION WITH THE MIND OF THE UNIVERSE PROGRESSED TO WHERE YOU ARE PERMITTED TO *JOIN* THE OTHER "GODS" IN THE HEAVENS OF MORE DIGNIFIED PLANES OF EXISTENCE, WHERE PEACE, PROGRESS AND ONENESS ARE THE "ORDER OF THE DAY!" Seek after this particular heartbeat of the Universe, and you will find not only abundant joy in knowing the Brother- and Sisterhoods of Light, but also discover a greater ability to pay your bills, as cash from unpaid tithings is freed up for the raising of your economic life into one of greater dignity!

REMARKS ON THE MATTER OF TRUE AND FALSE PROPHETS

Many "gods" spoke to the true prophets of yesteryear! And at this point let us no longer differentiate between a true prophet and a "true channel," for the "true" prophets of old were no less than what "true" channels of today are, namely "SECRETARIES" FAITHFULLY WRITING DOWN THE WORDS AS THEY HEAR THEM TELEPATHICALLY SPOKEN FROM THE BROTHERHOODS OF LIGHT! Conversely, we also have "false" prophets. These are "false" channels, who faithfully write down the words as telepathically spoken to

them by DARKENED BROTHERHOODS, or the BROTHERHOODS OF DARKNESS, which is the luciferean aspect of our universal duality. Do we now understand the difference between a "true" prophet (channel) and a "false" prophet, who is also a channel? THE FORMER CHANNELS THE GODS OF LIGHT, WHILE THE LATTER CHANNELS THE GODS OF DARKNESS! And by what characteristics can we, the people, recognize, whether the channel (prophet) we deal with or believe in is of the Light or of the Darkness? **Dogma aside, people, the gods of light will lead you to economic freedom and happiness, while the gods of darkness will trap you into economic subservience through tithings, rules, obligations, taxes, laws, commandments, rituals, meetings, secrecy, sacrifices and sundry other means!! The gods of darkness will scatter your focus away from you, while the gods of light will call upon you to discover yourself by discovering your godhood within – the gateway to the gods of universal oneness – and call upon you to *be loyal and truthful to yourself first!* And this truthfulness to yourself has nothing to do with being selfish!**

On the 27th of September 1996 this writer petitioned for one of the Commanders or Masters of the lighted side to elaborate on the following questions: Is our understanding correct, when we say that some ancient and modern religions are an outgrowth of falsified holy texts of true prophets? And have other religions been precipitated in all their intricate falsehoods as brilliant religious systems upon the people in the form of perfected and completed frauds, dictated to false prophets from luciferian spirits? Among other statements in answer to this question Commander Melix spoke in no uncertain terms when he said:

"... You must understand, dear ones, not all complimentary dialogue (holy text) was to be adjusted (falsified) to fit the bill (make it suitable for public consumption), but rather AS A HINDRANCE TO COHERENT DIALOGUE (truthful expressions) THOSE OTHER MASTERS (gods of darkness) OF THE UNIVERSE DID SO TO WRITE DOWN THEIR OWN DIALOGUE (religious material) AND TELL TO OTHERS (the people) THAT INDEED IT WAS OF THE GODS OF THEIR (the people's) CHOOSING (giving their system the appearance of divine approval). ANY PLACE IN SCRIPTURE OR OTHERWISE WRITINGS OF DICTATIONAL METHOD (channelled material) WHICH EXPLOIT

THE PEOPLE AND DESTROY ALL THAT WOULD POSSESS THEM TO LIVE IN MERRIMENT THROUGHOUT THEIR INCARNATIONS, WAS NEVER FROM US!"

Isn't it remarkable that Commander Melix connects interdimensional information (prophecy) obtained via channels (prophets) with matters of economics, wherein such information leads the people to either economic freedom and happiness or conversely to economic bondage and subsequent misery, depending on whether the source of such information is either of the light or of darkness? Messages through prophets (or prophetesses) from the Brotherhood or Sisterhood of Light remain invariably consistent with the harmonics of the Universe, i.e. the totality of "all that is." Anything falling outside of aforementioned qualification are either man-made heresies through alterations of holy texts or entire and brilliant systems of religious frauds, inherited from the darkened gods of this Universe. Either way, both forms of falsehoods began to be fed to the people as the "words of God," until eventually the perpetrators of such debauchery (be they darkened gods, tamperers of holy texts, false prophets or leaders of religious systems) became victims of their own manufactured lies in the course of a string of subsequent incarnations. **BEWARE OF SPREADING LIES ABOUT ANYTHING, LEST YOU MAY SOME DAY FIND YOURSELF FEEDING AT THE TROUGH OF YOUR OWN DECEPTIONS!** This karmic backlash will then be compounded by the problem of *you* not being able to remember that it was *you* who laid the trap holding you snared!

RELIGIOUS BLOOPERS

Numerous are the booby traps along the religious trail to imagined glory! We already know who laid them there, but let us elaborate further! Just look and notice the men (or women) most highly visible and profiting the greatest from the marketing of dogma, and then you will have found your answer as to whose snare you stepped into, when you decided to uphold that industry with your donations! These people reincarnate, you know, and when they do, their challenge is each time to rid themselves of their own vices of religious debauchery. But most fail and continue to hurl themselves into incarnational attempts of cleansing from this awful karmic baggage,

only to see themselves fail over and over. Yet this is not a cruel game the Brotherhood of Light plays upon them, but rather THEY DO IT TO THEMSELVES! Before the Karmic Board only "stocktaking" is being done to see whether a particular entity has finally broken the cycle of its own religious or philosophical entrapment. Counsel is given, resolutions are made, and on with further incarnational attempts at reconstruction of their own DNA-ingrained behaviour patterns. Progress only comes to them, when at last some subconscious remembering surfaces, which says, *"Wait a minute, why do I feel uncomfortable at the idea of joining this organization? It stands for all the values I believe in, and yet I know that upon joining I will lose a certain amount of my freedom! Why am I worried about taking this route?"* Woe onto the soul that decides again to embrace the falsehoods of religion or falls for the lure of "easy money" as reward for feeding the people lies! Remember, it is easier to teach a child honesty after its parents caught it lying for the first time than it is to reform a habitual liar! Universal justice has its way to seek out transgressors of Universal Law!

However, we did promise to speak about "religious bloopers," did we not? A more prominent one is the atonement heresy, which says that "God" punishes by death (shedding of blood) "his son" (or animals) for our "sins," so that we will not have to suffer the consequences of our own misguided actions.

Any "God" demanding blood of the innocent, whether that of man or best, is a cruel task master, and for the good of the people should they dethrone him as unfit to rule over their consciences, for his government does nothing but rain havoc upon their heads, in this life, as well in future ones to come! "Gods" demanding such cruelties are most certainly creations of man's perverted mind waves! These mind waves have permitted the introduction of most diabolical spirits of dark forces to enter their lives, parading as "angels of light" under the guise of religion.

Under the Christian label they go so far as to ascribe to the death of a noble messenger the power of cleansing from their own sinfulness, and in doing so elevated his status to that of "God" himself, something they would never dare do for themselves, even though their own Bible teaches them

otherwise (quote: "Ye are all gods"). And so again we have before us one more case where people shirk their own responsibility for their actions by trying to make someone else suffer the karmic consequences of their "sins".

See, universal laws are neither young nor old, they are timeless. They were in force in the days of Israelite temple building just as much as they are in force today. And anything morally wrong then is just as morally wrong now, FOR UNIVERSAL LAWS OF JUSTICE REMAIN UNAFFECTED BY THE ANNALS OF TIME AND THE REQUIREMENTS FOR MAN'S SPIRITUAL PROGRESSION CANNOT BE ALTERED BY NEITHER MAN, ANCIENTS, GODS, SAGES, COMMANDERS, AVATARS, MASTERS OR CREATION ITSELF!! FOR GOD'S SAKE, PEOPLE, REALIZE THAT YOUR RELIGIOUS SYSTEM OF SACRIFICE WAS CREATED BY YOUR RELIGIOUS LEADERS AS A PROFITABLE BUSINESS VENTURE! *EXPEDIENCE* DICTATED THE USURPING OF YOUR CONSCIENCE AND EXPLOITATION OF YOUR GUILT COMPLEX FOR PROFIT! There was money to be made for doing so!

Christianity is considered an offshoot of Judaism. The former has deeply entrenched within it the philosophy of blood-letting. It is called: *"Jesus-died-on-the-Cross-for-my-sins-that-I-might-have-forgiveness-through-the-shedding-of-His-blood!"* I consider this doctrine an abomination and a gross injustice toward the person thus elevated (or better: debased) to the status of a universal sacrificial lamb. Elemental universal justice does not work this way: Each of us must learn to face up to our own personal deficiencies, and not call upon someone else to bear the consequence *for* us.

Religion for profit was to continue, even if it meant to *pervert* the message of this most noble messenger Earth has ever seen! For almost 2000 years he was to become the whipping boy for sins not of his own, and to his utter disgust he was made the people's most prominent object of worship! Throughout history his name was dragged into all sorts of atrocities, in his name millions were slaughtered and against their will returned into the Diva Chan. Yet during all of these years his voice could hardly be heard, as **not until today** has he made the restoration of his soiled character possible on a world-wide scale. (Do not think for a moment such

vindication of his name is only happening through the writings of Mr. Sentana-Ries. This noble one of the Light has found his own way of making himself heard by the people in these last days!) SEEK AFTER HIS WORDS OF TODAY! YOU WILL FIND THEM IF YOU DO, AND NOT BE DISAPPOINTED!.

RELIGION FOR MONEY

As already indicated, religion today is a sorry money-making industry. As time goes by we see this industry teetering on the verge of bankruptcy (which may have various reasons, granted), but money-collecting nonetheless, for as long as the pews remain warm from the bottoms of individuals, who have yet to think for themselves and learn to no longer permit their pastors or bishops to rule over them in matters of faith. However the moment people begin to realize, that as far back as 3000 years ago the imposition of mandatory tithing was nothing more than a money and power grab over the people's pocketbooks and that spiritual progression can only be achieved via discovery of "godhood within," they will seriously re-evaluate their membership in various churches. Remember, whosoever has the power to join a church, also has the right to leave. This is not exactly a decision the minister or church hierarchy can control, but would certainly love to in order to preserve their salaries for the end of each month. We assume many church leaders would be mortified at the idea of having to compete for a job in the marketplace and be expected to support their families at minimum wage rates. Yet *never once* did they seem to display concern over their membership's plight of struggling in an economically hostile environment for as long as the tithe ended up in the church's bank account!

FOR ONCE, PEOPLE, DO YOURSELF A FAVOUR AND BECOME "POLITICALLY CORRECT" AND CONSIDER YOUR OWN WELFARE *FIRST* BEFORE PARTING WITH YOUR HARD-EARNED CASH FOR THE BENEFIT OF SOMEONE ELSE!! There is no doubt in our minds you can find ways of spending your money wiser!

MORE BLOOPERS EXAMINED

The writings of ancient prophets have almost completely been stripped of references in the Bible to REINCARNATION. Inferences still remaining today are oversights by ancient tamperers of holy texts, but strong prejudices against the idea of reincarnation prevent the modern interpreter of the Bible from discovering them. Why, do you think, was "reincarnation" removed from it and by whom? Well, only the religious aristocracy of the day controlled prophetic texts and was educated enough in reading and writing to accomplish the feat of tampering with these holy scripts effectively and all this without being discovered for what they were doing. For what reason were the words of the Masters altered? **GIVE THE PEOPLE TRUTH, AND YOU GIVE THEM POWER! BUT TELL THEM LIES INSTEAD, AND ONLY THEN CAN YOU CONTROL THEM AND MAKE THEM DO YOUR OWN BIDDING!**

Authorities in control of the Dead Sea Scrolls today will not allow the release of *all* of their translations. Why not? **COULD IT BE, THAT THESE SCROLLS CONTAIN UNAMBIGUOUS REFERENCES TO REINCARNATION, WHICH, IF RELEASED TO THE PUBLIC, WOULD UPEND THE ENTIRE SYSTEM OF RELIGIOSITY IN THE WESTERN WORLD?** We certainly believe so. The doctrine of eternal damnation would come crashing down like a building without foundation. And who would dare to incur the wrath of the entire religious industry? Obviously not the people in control of the Scrolls! Yet little do they know, that **BY WITHHOLDING THE TRUTH FROM THE PEOPLE THEY BRING UPON THEMSELVES A KARMIC BACKLASH OF UNIMAGINABLE PROPORTIONS, FROM WHICH IT MAY TAKE THEM MANY LIFESTREAMS TO RECOVER! THE TRUTH IS OUT THERE FOR TO BE SPOKEN AND NOT TO BE CONCEALED IN OBSCURITY! HOW ELSE CAN HUMANITY AT LARGE RID ITSELF OF ITS WOES?** We wish the custodians of the scrolls to answer us that one!

At this point we will burden the reader with only one more prominent blooper, and then leave well alone our detailed examination of further religious falsehoods. JMMANUEL was indeed a "CHRISTED ONE," and for the good of our souls **SO OUGHT WE TO BECOME CHRISTED!!** The title of being "christed" is no more than a state-of-mind of being "enlightened" and "immersed" in the knowledge of universal laws and of the wisdom of the

ancients. Jesus Christ (whoever gave him that name, is irrelevant) had access to wisdom, which made him a christed person, AND WHOEVER ELSE BECOMES IMBUED WITH HEAVENLY WISDOM OF THE ANCIENTS BECOMES A "CHRIST" (OR A CHRISTED PERSON, IF YOU WISH)! The christhood of our souls we all owe to ourselves, for without that hallmark of character we will never become reunited with the Brother- and Sisterhoods of Light. And who are they? We have mentioned before, **they are those, who have gone before us, our noble forefathers, who have passed all tests of worthy conduct in the realms of third-dimensional incarnations, and to whom we can always look up to for guidance without being led astray by their example or teaching!**

For religious leaders to pronounce Christhood on one man only, and then state that only *he* and none else can become perfected, denies indeed the right to godhood to anyone else who has ever achieved that status or ever will in times to come. Of course, these deniers have the right to become tripped up by their own lies while the rest of us will strive for and attain godhood in love, light and perfection, as we see it in him whom we know of by the name of Jesus Christ of Nazareth, Lord SANANDA ESU JMMANUEL of today!

And who was his father? The Christian world says "God!" Nonsense. Others say "The Holy Ghost." More nonsense! A ghost has no ability to impregnate, only beings with physicalness can do that. Many say "His was a miraculous conception." In the Universe, of which this planet is a part of, there are no "miracles", there are only laws of nature or of physics properly applied to produce predictable results. Why is it so difficult to believe, that his father was none else of lesser status than the archangel Gabriel, who was working with Mary at that time to prepare her for his son? Lord Gabriel most certainly possessed all attributes of physicalness required for a successful impregnation of Mary! PEOPLE, THERE IS NO MORE EFFECTIVE WAY TO PRODUCE OFFSPRING OF ONE'S OWN GENETIC PURITY THAN TO PERMIT THE BIRTH OF A CHILD UNDER CIRCUMSTANCES AS THOSE OF JESUS CHRIST's!

What made him special was not so much the unique circumstances of his

conception or birth as much as his calling as **messenger of the true gods and goddesses of this Universe**. He faithfully passed on instructions he received, and thus began to teach the people the Laws of the Universe, which teachings eventually caused him to fall out of favour with rulers of the religious establishment! The end result of his mission is too well known to even mention. Now, because the circumstances around his birth were somewhat outside of the norm for childbirth, man began to mystify this occasion and create the notion, that "God" was his father. The natural consequence, of course, became the deification of "the Son" with all its abominations of person worship. To Jesus Christ the outgrowth of this misconception became the ultimate personal humiliation and detriment to his mission and work, for no man with "love for truth" in his heart would frolic at the idea of becoming centre-stage "God" player in the hearts of men and women who need to grow in understanding in order to see them linked back into communion with the rest of creation.

JESUS CHRIST TAKES NO PLEASURE IN BEING THE OBJECT OF WORSHIP OF THE PEOPLE! WE ARE TO WORSHIP NO ONE NOR ANYTHING, FOR WE OURSELVES CONTAIN THE SEEDS OF THAT ESSENCE, WHICH WE MISTAKENLY SO ARE AT TIMES INCLINED TO WORSHIP!

CHAPTER TWO

THE GODS ARE ALIVE AND WELL!

OUR BEST FRIENDS AND RELATIVES REDISCOVERED AT LAST!

We have already alluded to "God" meaning the life-giving essence of creation in its totality. To attribute then to God the individuality as that of a singular person is a widespread misconception indeed. If from that viewpoint we were asked to explain what He looks like, we'd really run into difficulties, as we would then have to explain how He can be present everywhere and not also have a singular body as large as the Universe. How we then upon our "resurrection" could actually "see" God as a reward

promised unto the "saints," on the assumption that He is so large in size, stretches the imagination beyond its capacity of reasoning. So let's forget about a singular God presiding over "all that is" **unless we speak of the spirit of ONENESS OF ALL GODS AND GODDESSES EVERYWHERE presiding in unity over the totality of what we call creation!**

It is high time indeed for a rediscovery of our best friends and relatives up in the sky above the continents of this planet. For millennia they have stationed their beautiful motherships there as a constant reminder of their presence and readiness to guide the developing human race towards reintegration with their own kindly spirits (essences). At times they go on special missions with their dingers (shuttle craft) down to the surface for contact with certain individuals or are on scientific excursions of data collecting, and so on those occasions their craft are often seen and photographed by many witnesses. They are silvery, circular domed vehicles with amazing flight agilities and great elusiveness, others are cigar-shaped and possess similar agility and speed. There are many stationary craft in the cosmos as large as the American continent – big cities in the "sky." Some of the smaller dingers are surrounded by auras visible to the human eye, reminding us of their extraterrestrial origin. But that does not mean they are "alien." They do not try to instil fear in anybody, although that often occurs, because people have not been briefed sufficiently to realize, that they are friendly and have nothing to fear from these extraterrestrial visitors to Earth. If the people only knew that many of these visitors are benevolent relatives of past incarnations, which they at that time knew personally, they would surely change their attitude toward them and welcome them instead of being afraid. The only "aliens" upon this planet are those who mean to do the extraterrestrials harm, i.e. our governments and the military, who have set up telescopes equipped with laser guns to shoot their craft down in flight in order to reverse engineer their technology. Also many satellites sent into space as "military cargo" is nothing more than weaponry to do them and us harm. Of course this information is carefully being kept away from the people as they classify such endeavours "Top Secret."

The fact that some visitors from other worlds look differently from us does not mean they are hostile toward us. It also does not mean that they

do not belong to the Brotherhoods of Light or operate outside of universal laws as we know them. We believe their mission is widely misunderstood when we hear of abductions for the purpose of offspring creation with their own kind. These visitors may be much smaller than you or I. They have disproportionately large heads and eyes compared to the rest of their bodies. But when they had for eons applied no wisdom by overemphasizing the development of intellect at the expense of emotions, their physical bodies altered from this kind of neglect. Someone we know personally was permitted on one occasion to come on board in order to view what they were doing firsthand. For the benefit of our readers, here is that person's report:

"Today is March 21, 1994. Firstly, when entities come to collect humans, they don't "drag" them anywhere. On the contrary – where mankind came up with that supposition – it is ridiculous as well as ludicrous. Entities with this kind of mind power simply levitate, and they use four, five, six, anywhere from five to seven small entities for that. They surround the person on both sides and at the end of the human, and they just walk them into the ship. There's nothing mysterious at all about it. There is no dragging.

Once they are in there, they are placed temporarily on a pallet (stretcher). Then they are moved the same way – by levitation – into a chamber which is laid up against a wall and doors which look much like glass, but they are of... I don't know what they are made of, I never asked. They close, and the human individual is left in... it's like a compression chamber, with the oxygen to match what the human likes, what's necessary. Because, as I say, the atmospheric conditions aren't good otherwise, and the human would get very sick or may even incur brain damage.

Concerning the horrors that are spoken about, and one I saw very clearly, with these entities not having emotions: They also have a section, where – they don't section their ship off as we would into different sections of laboratories – rather they intermingle everything they do all over the ship. Whereas the result is, where you have some entities working with fear, others with horror, others with joy, others with love. And instead of getting a foretaste of a little bit of emotion to balance it, each one concentrates on a

certain emotion. Therefore you hear screaming, you hear laughing and the whole thing is a menagerie and very frightening to the human individual. These entities have very high pitched voices, which does not help. So there is the terror that they perceive.

As for the operation of extracting egg and semen: a long tube is run down and for the most part, the human patient is basically put out. They don't feel or hear anything. A long tube is inserted to the bottom of the throat. From there a little tube is going down just maybe two or three inches. From there is a laser beam light, which cuts away anything necessary. The reason for the little tube is, after the laser beam is cut, there is suction, which takes up either the ovary or the sperm, whichever is needed. While the tube is down, there is a big kind of arc that comes down and covers the whole face. None of this is horrifying, because, as I perceived, the individual is not awake.

Again the terror comes when it is explained to the individual human what has occurred for their own right of knowledge, which the entities grant them. So they have the right to know what is going on and occurring. When the female – and sometimes the male – perceive that an entity being born, which is half their child, is being left there, they become very terrified. They don't understand the concept of it being an entity, but still hold to it as being their child, and they should take it with them. They don't really understand the scope of what they're asking. The embryos, which are kept in fertilization, which some are growing anywhere from three to five months, are also in a chamber. And they are surrounded by a jelly-type liquid. And outside of that is air, air which is holding them suspended in this jelly-type liquid....

For the most part, in conclusion, these entities are not dangerous at all. Their methods are somewhat a little incongruous, but they try to keep the human as comfortable as possible. And it is the emotions of the humans, which brings the terror. There is not pain. That's completed."

Fundamentally speaking, humans have nothing to fear from extraterrestrial visitors. We would see much more such "traffic" upon this

plane if it were not for the hostile attitude from our authorities who are continually displaying ill intent toward them.

Extraterrestrial spacecraft visitations occur from planetary systems within this Milky Way and other galaxies. Even our own solar system contains planets inhabited by people having mastered intergalactic travel, for they are permitted to do so because of their compliance to basic rules of conduct prevailing in the Universe (universal laws). Of course, they also at times stop over here on certain missions, and are as much involved in overseeing Earth's transition into the new era than those from Pleiades or the Andromeda Sector. Many societies from our own solar system are genetically deeply related to a variety of human races we find living on Earth.

Also many of our nobler forefathers, who, shall we say, have "graduated" from Earth after having learned most of their life lessons, we find now incarnated as either staff members or commanders of the millions of intergalactic stationary craft high above Earth's atmosphere. They have chosen incarnations of this more "elevated" kind, for it is their desire to help humanity at its crossroads, or equinoxal time slot, which in the end involves global evacuation, reassignment of people for reintegration into other planets and other tasks. The leadership for these many commanders, of course, is provided by the Masters, who are overseeing the entire operation of Earth's reclamation and preparation for a more glorious manifestation of humanity upon this plane. These Masters in turn cooperate fully with all intergalactic councils presided over by archangels, like Gabriel, Raphael, Michael, Orisis and others.

So we see, that whatever happens to planet Earth and its people is carefully supervised by friendly forces higher than our own or more powerful than any military might, for that matter. The motivation for all they do is LOVE FOR THIS PLANET AND ITS PEOPLE, although that love will not exclude the element of justice as a karmic response, backlashing upon the heads of the wicked.

COMMUNICATION MYSTERIES EXPLAINED

Much confusion exists around the tremendous efficiency, with which highly evolved entities communicate among themselves or with individuals on Earth, for instance. We must understand here, that at that level of evolution telepathic abilities are honed to perfection and negate the need for *"...making a trip to see Commander X in person and tell him, that we of the Polaris craft have just begun to notice the beginning of a slight wobble of planet Earth's spin axis on our computer screens."* Even a rediscovery of *man's* telepathic abilities reveal, that distance is inconsequential when speaking of telepathic communication. For example, on one occasion we registered a message from a commander on a journey from as far as 500 billion light years away. (By the way, it took him only about four Earth hours to return back to his location in the sky, but he admitted, the trip was somewhat of a "strain on the engines.") You see, distance just does not matter. This is not to say, that telepathy is the only way, whereby they communicate words or thoughts. At times pre-recorded messages are being sent via equipment on ships, which tie in to telepathic frequencies. Many transmissions from ships can be detected by military monitoring devices, but never be deciphered.

In the wonderful world of telepathy one cannot only transmit strings of words in any language, but also anyone's thoughts and ideas, as well as picture images. To benefit from these methods of communication one has only to apply himself, for these skills can be learned and perfected just like any other skill. The fact that, generally speaking, humankind is quite unaware of these possibilities, does not preclude the fact that this form of communication is preferred by higher evolved entities. It probably is a far more efficient way of thought conveyance. We know true prophets of old as well as today have received their information from the gods by virtue of their abilities to communicate telepathically, and here speaking of gods we make no difference between commanders of intergalactic beam ships or the Masters, for both will speak the truth with ultimate passion as from an exalted being.

At this point we feel to issue a warning: Evolution alone is no

guarantee for receiving truthful information telepathically via the gift of true prophethood. In cases where out of neglect the screening process between essences of light vs. those of darkness is not maintained, then the possibility of deception becomes real, and this has nothing to do with sincerity. Even the finest of prophets can become sincerely deceived on a temporary basis. The difference here lies in what will the channel (or prophet/prophetess) do once the fraud has been discovered. A true messenger of truth will come into the light and clean house, and erect new standards for screening communicating consciousnesses in order to tighten security. It must be understood here, that for every light there also exists the equal and opposite element of darkness. It is for that selfsame reason that the gifts of true prophethood can also be used to the same effectiveness in the realm of darkness.

DIMENSIONS, PLANES, HEAVENS, HELLS – quite comprehensible!

Understanding planes of existence, also called "dimensions" or "heavens," really does not have to be all that difficult after all. Once we have grasped the reality of **duality** (light and darkness – spiritually speaking) cutting right through the middle of planes from the 4th dimension upward, then understanding "dimensions" does definitely not have to tax our comprehension to the limit! In third dimensional existences and downward the forces of light and darkness collide (intermingle) for the purpose of testing soul entities residing in them.

In trying to understand dimensions (heavens or planes of existence) the mental stumbling block here lies in a misinterpretation of the word "dimension," where people connect the "first" dimension with a line, two dimensions with an area and a three dimensional object with volume, containing area and depth respectively. A mind with this kind of understanding of what "dimensions" are, will indeed have difficulties comprehending when we speak of 4th, 5th (or higher) dimensional realities or planes of existence. All planes of existences are made up of "volume," if you will. The difference between a third dimensional object or an object from the 5th dimension is not shape, but **frequency** of its molecular

structure. Matter vibrating at a higher internal frequency will be invisible to our eyes and therefore undetectable, for it radiates light at a frequency outside that of our eyes' range for detection. At that point both objects can easily pass through each other without colliding. Scientists will verify, that at the atomic level of molecule identification there is nothing but a huge amount of empty space, where nothing can collide. Remember what happened during the Philadelphia Experiment after the second world war? Control of the project was taken away from Tesla, and then the disaster happened.

So when we say, that we telepathically communicate with "entities" (people) from the 4th, 5th or 8th dimension, we mean to say we are speaking with people who look like us, are clothed like us (or better), speak like us, are intelligent like us (or more so) and feel emotion and passion as we do. Their societies are divided into male and female entities as ourselves, and they also raise children like we do (more conscientiously, though). Many of them are Avatars who can lower their molecular vibrational frequency to where they can "materialize" before our eyes, however in that state of being they are just as vulnerable to become hurt or injured as we are.

Now, where then does the duality aspect for dimensional planes from the 4th level and upward fit in? IT MANIFESTS ITSELF IN *REGIONAL SEPARATION* AS OPPOSED TO INTERMINGLING OF FORCES OF LIGHT AND DARKNESS! Planet Earth, seeing it resides in a "third" dimensional environment, houses representatives of both, the forces of Darkness as well as Light. If it were not so, we as individuals could really not be tested as to our loyalty toward the forces of Light. "Down" here it is a duty we owe to ourselves not to be overpowered by "evil" lest we manufacture a karmic backlash, from which it is hard to recover.

WE MUST LEARN OUR LESSONS WHILE IN THIS THIRD DIMENSIONAL INCARNATION, AND PROVE OURSELVES LOYAL TO THE LIGHT IN ORDER TO QUALIFY FOR LIFE EXPERIENCES OF HIGHER DIMENSIONAL MAKE-UP, WHERE THERE WILL BE NO IRRITATION FROM FORCES OF DARKNESS TRYING TO TRIP US UP ALONG THE WAY!

Is it not the intent of the Bible to tell us, that "heaven" is a place where there will be no temptation? There we have our answer! In higher dimensions the forces of darkness have effectively been banished to remain isolated in their own regions of misery. This is what the "duality of dimensions" is all about. **The division and separation of light and darkness is a reality without which the universe would not be complete!**

One more reality should be mentioned before we move on: Our own consciousness has its own duality in the opposite to the reality we are functioning in at this time. If we have consciously elected to conduct our life in the realm of lighted essence and in harmony with universal law, then we literally surround ourselves with an impenetrable protective barrier from the other side of our own conscious ability: the dark side of ourselves. The mere fact that within our own conscious ability resides manifestation in the darkened realm should we elect to express ourselves in it, is proof of our own other "self" duality. Expression in it is misery while expression in the lighted realm is peace of mind where external circumstances we then create to make joy possible. The choice is ours to express ourselves in whatever essence we wish, and as we elect to conduct ourselves in the lighted essence, we banish our "other dark side" into the abyss where it belongs.

EARTH'S RECLAMATION - THE GREATER PURPOSE LITTLE UNDERSTOOD!

DEJA VU - HOUSE CLEANING ALL OVER AGAIN!

At this critical time in the history of Earth a "changing of the guards" must take place, where the "old guard," who have sadly failed in their duties as custodians of the nations, will be replaced by a new set of guardians. And as much as the former engaged themselves in perpetual creation of havoc among the people, so will the latter, the "new guard," busy themselves in bringing peace and order, knowledge and joy to the people. And let us not

think for a moment these "new guardians" are intruders with no "property rights" to this planet! On the contrary! Eons ago the Brotherhoods of Light shared Earth with many intergalactic societies under the guidelines of universal rules of ethical conduct, until ruthless overlords forced their way in to drive into oblivion the forces of Light. The confrontation then was lost to energies of brutality, and their reign was one with much impunity over the people in general, as well as over many "Ambassadors of Light," who volunteered to incarnate among them for the purpose of bringing knowledge to people. And so in the course of time many of these enlightened ones lost their lives at the hand of the undisputed overlords, who would kill for the protection of their power. And thus we have seen the true godhood of our brothers ground into the dust at the feet of despotic overlords protecting their stranglehold over the nations.

And how does the Brotherhood of Light expect to win out on the issue of ultimate control of this planet, seeing that reclamation efforts of the past saw many of their kind fall victim to debauchery and murder? *DISPENSATION OF TRUTH* WILL RULE THE INFORMATION PIPELINE TO THE PEOPLE! THE PEOPLE WILL AT LAST BECOME ENLIGHTENED AGAIN AND BE SHOWN THE WAY OF "ESCAPE" FROM THE CLUTCHES OF A CRUEL SYSTEM, WHICH THE RULERS OF THIS WORLD HAD SET UP SO LONG AGO! CHRISTED ONES WILL RISE TO THE TOP OF WORLD POLITICAL AND ECONOMIC AFFAIRS AND WILL SET UP AN ECONOMIC METHODOLOGY, WHICH WILL NEGATE THE NEED FOR AUSPICES OF MONEY CURRENTLY IN USE. ACCESS TO BASIC NECESSITIES OF LIFE WILL BE DENIED TO NO ONE, AND THE MOTIVATING FACTORS FOR CRIMINAL ACTIVITY BECOME EFFECTIVELY REMOVED.

WHEN IN THE END THE TIME WILL COME FOR THE PEOPLE TO ESCAPE MASSIVE GLOBAL UPHEAVALS SIGNIFYING THE END OF THIS WORLD IN THE PHYSICAL, THEN THE "CHAFF" WILL BE SEPARATED FROM THE "WHEAT" AND A GLOBAL EVACUATION OF CHRISTED PEOPLE WILL BE CONDUCTED BY OUR EXTRATERRESTRIAL FRIENDS IN ORDER TO SPARE THEM THE TRAUMA OF BEING VIOLENTLY SWEEP AWAY INTO THE DEVA CHAN ALONGSIDE WITH THE WICKED. **REMEMBER, THE RIGHTFUL OWNERS WILL MERELY TAKE BACK WHAT HAS ALWAYS BEEN THEIRS, AND THUS THE ERA OF UNRIGHTEOUS CONTROL OVER A STOLEN PLANET WILL END!**

RECLAMATION CONFIRMED BY THE MASTERS

Not often do we share with others from the arsenal of personal messages from the Masters, but on the issue of their intent on reclaiming this planet, we shall make an exception. On August 3, 1994 Lord St. Germain and Hatonn gave us these words to reflect upon:

*"Proceeding. We congratulate you and yours, Reni, for the steady proclamation of truth as it unfolds before your eyes. Before you both tuck in for the night, we only wish to allude to the fact, that both your services are indicative to the most radical thought of cause of us, your brethren. Adieu and do not be of the near time persuaded off our designated course of objectives. **THIS WILL BE THE LAST TIME THIS PLANET OF YOURS WILL BE BROUGHT INTO NEUTRAL STATE OF BEING, PROTECTED FURTHER BY THE SOOTHSAYERS WITHIN THE FIRMAMENT OF SACRED TRUSTE.** Sleep well. Conclusion ended as thusly. Lord GERMAIN and HATONN, exclusively at the helm."*

And on Sunday, September 15, 1996, the archangel Gabriel alluded to the fact, that this planet at one time had seen peoples functioning under "universal laws," the laws of which are now to be "reinstated." Following is a partial quotation of his words:

*"...THIS (the power vested in the messenger of light) IS SIMPLY FOR THE **RE-ENFORCEMENT AND REINSTATEMENT OF UNIVERSAL LAWS, WHICH ARE APPLICABLE TO THOSE AND ONLY THOSE WHO WORK WITH DECISIVENESS, COHERENCE AND APTITUDE, NOT TO MENTION OTHER VERACITIES (credentials) OF THE STATURE OF THE HOLY ONES!THIS SOON WILL BE FINISHED AND THAT TIME WILL BE COLLAPSED AND NO MORE WILL REIGN THE DISPLEASURE OF THE GODS UPON THIS EARTHEN PLANE!**"*

The event of "house cleaning" does not have to frighten anyone, for as long as people correct their priorities so as to **firstly become informed and secondly not permit their hearts to remain attached to greed.** WE COUNSEL EVERYONE TO NOT CAST BLAME UPON THE BROTHERHOOD FOR GLOBAL

DESTRUCTION OF THIS PLANET, FOR NOT ONLY ARE THE BROTHER AND SISTERHOODS NOT DESERVING OF SUCH BLAME, BUT INDIVIDUALS IMBUED WITH BITTER THOUGHTS OF ACCUSATIONS WILL DISQUALIFY THEMSELVES FROM BECOMING BENEFICIARIES OF A HELPING HAND EXTENDED TOWARD THEM AT THE MOST CRUCIAL OF TIMES! LET US NOT BE TRAPPED BY OUR ATTITUDE WHICH SAYS *"I LOVE MY ASSETS, MY PROPERTIES AND MY WEALTH, AND YOU SAY, IT IS ALL GOING TO BE WASHED AWAY IN AN INSTANT? I DON'T LIKE WHAT I HEAR AND THEREFORE WILL NOT BELIEVE IT!"* Mistaken logic to the extreme! If we look upon evacuation as a means to escape the unavoidable, which is a happy event one should look forward to, then we will have made great strides of actually becoming participants in it.

CHAPTER FOUR

WORKING WITH THE BROTHERHOODS /S ABUNDANT JOY!

THE SISTERHOOD OF LIGHT – AN EQUAL PARTNER

And so finally this chapter leads us to the joy aspects of heeding counsel given by the Brother- and Sisterhoods of Light. But before we will go into the topic at hand, let me talk a little about the Sisterhoods.

The duality of the sexes is carried over into very high dimensional realms. Only near the top do they merge, as far as we understand. So whenever we speak of "the Brotherhood of Light," the Sisterhood belonging to that "Brotherhood" is not excluded. See, when people inherit the higher heavens (realms), the sexual identity of their choice will remain with them, for even in higher dimensional incarnations procreation continues and families are raised. Such is considered a great responsibility and handled with much dedication on the part of the parents.

However not all sisters belonging to the Brotherhoods busy themselves with raising families on a home planet of their choice, but rather prefer to

assist their male counterparts as equal partners in raising civilizations of lower order to higher spiritual understanding. So these beautiful female entities then take to the ships just like their brothers do, and work with them side by side on the multi-task operation in guiding entire planetary civilizations like Earth's into new eras of higher thinking and reintegration into the family of galactic societies. When consciousnesses of women on Earth are raised to where direct communication becomes possible, we usually find the sisters from the stars contacting the sisters from Earth. Such however is not a hard and fast rule, but usually the case. And just like the men have formed many councils upon which they serve for periods of time, so have the women also done likewise. All this is done for the purpose guiding in wisdom soul entities of lower planes into a higher order.

SOME REWARDS ARE INSTANT

Everything the Brotherhood of Light does is for the benefit of mankind as a whole. So the message should finally sink in which says, that **we have nothing to fear from them!** We are the beneficiaries of their dedicated work and our friendship to them is their only reward. You see, they are very emotional beings and the expression of feelings is very intense. When they love, they love "hard" and when they despise, this writer would not want to be the target of their disapproval.

So the moment one soul entity on Earth begins to "open up" to them, because their message has reached that soul, and their words have been accepted, that in itself is indeed a joyous event on their starships, and all of our higher brethren and sisters participate in the joy of it. Such "recovery" of "lost" souls is the most desirable reward to themselves, and for the experience of such joy have they come here to serve so far away from their home planets. Now, should the feeling of joy also not be "mutual"? Indeed it is. The soul which has at last "awakened" and has allowed some subconscious remembering to occur of its own celestial roots, will also be blessed with a feeling of much satisfaction of finally having "found its way home", back into the company of its true friends and family. A deeply felt joy will overcome that person, and a great desire or learning more about the

Brotherhoods of Light will dominate its actions.

This person will also feel, that its emotions of joy are not at all religiously motivated and therefore bear no artificial flavour, but are in response to having RECONNECTED WITH REALITY! Couple that feeling with a deep knowing of not having to perish in events signifying the end of the world, then a feeling of much gratitude will take hold and sweep it away to share it with whoever it can. Instant reward, indeed.

REMEMBER, EVERY GOOD THING HAS A PRICE!

The Law of Balance dictates that in this world nothing is for free, not even the blessings of association with the Brotherhoods of Light. It will cost you no tithing contributions nor precious amounts of your time otherwise spent in "fellowshipping" with the "saints," but possibly some trips to book stores carrying material from the Brotherhood or perhaps a few phone calls to friends, of whom you know of their interest in metaphysical material, although that particular terminology cannot adequately describe universal understanding. Whatever it may take to become more informed, is a small price to pay, we think.

You will become somewhat selective in the choice of your friends, for much conduct of people around you will become irritating, and you will wish mostly to be away from most of them. A feeling of living somewhat "aloof" from the idiosyncrasies of this world will sweep your soul into a sense of "resting from the nonsense," and you will shake your head at much of what is happening around you.

By that time you will have begun to consider it a small thing, when people around you begin to think you are "weird." It is okay to be different, as long as we are not stupid. And so true intelligence will shine out of your life and begin to illuminate with its light the dark deeds of ignorance around you. Never mind that kind of opposition, for wherever the light shines brightest, the dark energies will concoct equal efforts of snuffing out the light which is in you. This however they can do only if you permit them to

do so. Do not rebel when this yin–yang effect hits you hardest, for it should merely be a reminder to you, that you are "on the right path."

YOUR LOYALTY BUILDS YOUR "BANK ACCOUNT"

No, we do not speak of money here, but of a credit of true value at the end of this, your incarnational experience. The loyalty we speak of here is that of "being good to yourself" by being faithful to principles and laws of the universe and its absolute justice. Loyalty to the Brotherhoods of Light will give you the determination to conduct yourself in compliance with all universal laws. This is something you owe to yourself, and such faithfulness will give you the "ticket" for boarding the star ships when the time comes. You will also feel the consolation of *belonging* to true friends, when your "time is up," for you have learned all your lessons well. Which man is not filled with joy, when he sees retirement age come around, and after having been faithful to his employer, still finds his financial reserves large enough to see him through comfortably for another fifty years? Remember, the purpose of life is the feeling of joy.

CHAPTER FIVE

LET'S SEE, WHERE DO *WE* FIT IN?

OUR KINSHIP WITH EXTRATERRESTRIALS EXAMINED

In actuality *everyone* belonging to the human race is an extraterrestrial. The reason why we don't consider us as such is because we have lost the ability freely travel through the cosmos. Our own messing around with darkness (wickedness) has caused the Brotherhoods of Light to place us under "house arrest," so to speak, and so they confined man's manifestations of wickedness to Earth itself. As far as they are concerned we are quarantined and denied the freedom to freely interact with other

societies in the cosmos by means of space travel, lest others elsewhere become infected by our own diseased conditions. It is indeed better to keep the cancers of our own corruption at home than to see it spread throughout other galactic systems.

However, regardless of how far we have fallen, WE ARE GENETICALLY OUR SPACE BROTHERS' AND SISTERS' RELATIVES, FOR THEY ONCE WERE WHERE WE ARE NOW, AND WELL DO THEY KNOW, THAT THEY CANNOT PROGRESS BEYOND THEIR PRESENT LEVEL OF ACHIEVEMENTS, UNLESS THEY PULL US WITH THEM! So if we wish to see them move on to bigger and higher missions, then let them become successful in their dealings with us! There is indeed no more effective way of helping ourselves, than to let them help us, whether assistance is administered by means of their published telepathic messages teaching us the secrets of the Universe, or whether we allow them to succeed in evacuating us off this planet into their ships before the tidal waves will sweep us all way, it matters not, WE WILL BE THE ONES TO PROFIT BY THEIR READINESS TO COME TO OUR ASSISTANCE! Are their actions then driven by selfish motives? No, they are dictated by LOVE and a desire to see us far removed from depths of misery.

WE HAVE A JOB TO DO!

First let us become informed. KNOWLEDGE IS POWER! As mentioned before, let us seek out the finest productions of literary art written by the Brotherhoods of Light, our most noble extraterrestrial friends, and let us learn from their wisdom and insights into ALL THAT IS. Here we can learn of matters beyond and within Earth realms. Over one hundred volumes of information have been produced through a different source, all downloaded from the commanders and Masters stationed on their magnificent ships. All this material has been put into print and is readily available for us to acquire. As we do this, we will cleanse ourselves from encumbrances of many preconceived false notions, and trading them in for plain truth should not be difficult, provided we will not let ego stand in the way.

To leaders of religious denominations we can only recommend to not let

considerations of certain income losses or feelings of public embarrassment dictate their decision of whether or not to accept the Masters' counsel, for if they do, they will surely miss their (flying) "boat" into the skies when this Earth's crust will break up into red streams of flowing lava, and they "wished to God" they had dismissed the anti-gravity notion of floating into the "clouds." We still think a more solid space craft is better equipped to handle needs for anti-gravity movement. Time is indeed short to become educated on these matters, for the event of global crustal break-up will occur only a few years hence, and may not fail to occur within the anticipated lifetime of many walking this planet today.

Let us also not fall into the trap of "fighting back" the forces of corruption, for they are so solidly entrenched in governing society, that feeble pockets of resistance will be quickly extinguished by the power of their military and police might. **We do not need any more martyrs of this world's iniquitous ruling powers! We need our people alive in order to be able to rescue them! Corpses will not be evacuated into the ships, therefore do not present a target for the enemy to destroy! *Become invisible* and get ready to leave this planet! Do not fight anybody's war or ambitions, no matter how "righteous" the cause may be! Even the brotherhood's goal of reclaiming this planet for the noble seed of the future will not require arms, explosives, court battles or any such thing! Having said this we do not expect you to betray your deepest heartfelt sentiments of patriotism, however, please put your actions into proper perspective with your knowledge of universal reality. If you do that, you will avoid the pitfalls of fanaticism. *Feeding the people the truth of the ages* will accomplish all that is necessary for a successful conclusion of this age! *Let wisdom guide all your actions and keep yourself aloof of popular contentious issues!!***

Never before in the known history of mankind have we seen a greater opportunity for so many people to become reunited with their celestial Brotherhood ALL AT ONCE! Many negative karmic responses can instantaneously be dealt with IN THIS INCARNATION, provided we will not "miss our (flying) boat" this time around, **and thus the continuation of our progression will have been guaranteed.** The great failure of the rebellious ones will not be so much their burial under thousands of feet of sediment,

but rather their own digression into another series of countless incarnations for the purpose of repeating many learned and unlearned lessons under the enticing influence of dark forces, until another equinox in planetary history will offer them a chance to *not* "miss their boat" next time. Good bye!

EPILOGUE

And one more time in conclusion we will kindly share with you, our precious readers, some words of counsel given to us from Commander Melix on August 14th, 1996, words as delivered by the Mancharians:

"Place yourselves away from the contempt of the public at large toward those horrendous lies given through archival attempts of the naughty ones, for when these truths are given out around the globe and perhaps other globes as well, you are in for the shock of your lives! "BEREFT THEN WILL BE THE STRUCTURES OF GOLD AND PLATINUM BUILDINGS MEANT FOR THE SELECTION OF THE CHILDREN OF GOD, FOR THEY UNWITTINGLY PLACE THEMSELVES THROUGH MEMORANDUM OF DIALOGUE OF THE DEVILS INTO A PARTITION OF ULTRA WAVES COMING FROM THEIR STRICKEN POLICY OF BREAKING INTO THE UNIVERSE AND OUT OF THE HEATED CONDITION OF THE LIMELIGHT OF CHRISTIAN JURISDICTION!"

"Out front will be displayed in the time throughout the many centuries of conscientious craft of the enlightened ones such as yourselves, but beware and we do warn ye all, DO NOT LET THEY ONES SUCH AS THE RABID ONES OF THE RELIGIOUS ESTABLISHMENT GET TOO NEAR UNTO YOU ONE'S PALATABLE BONES! JUST DO AS WE DO: BECOME THE INVISIBLE TARGET TO ALL AND YOU WILL BE READY FOR ALL THOSE WHO SELDOM EVER GOT TO VISIT THE LIKES OF THE ENTITIES FROM SPACE, NAMELY HERE YE AND SHE AND HE! GOODNESS AND GLORY MAY SURROUND THE TWAIN OF YE FREELY!"

"We have all so much to look forward to, and in such a short time the curtains will fall on act four and display to the continents all that has seldom been witnessed for generations through the true indoctrination of the gemstone of the nations: THE SENTANA-RIES'S ARE STAYING IN AMERICA!"

ALL GLORY TO YE THROUGHOUT THE NATIONS, AND GREETINGS EXTENDED FROM SANANDA, THE LORD, WHO BROUGHT MUCH OF THIS INTO PLACE FOR THE EXTENSION OF HEIGHTENED CONSCIOUS ENDEAVOUR TOWARD THE FIXATION OF LIFE EVERLASTING TOWARD THE PEOPLE AND PATRONS OF THE EARTHEN PLANE!! Good night."
